| 대표자명 | Babu Bahirathan | 설립연도 | 2003 |
| 회사소개 | <p>Megatel is a company in the Telecommunication and Power retail sector that is committed to providing great value and innovative services to our customers in New Zealand. Our main goal is to enrich our customers' everyday lives by providing multiutility services.</p> <p>Megatel was the very first company offering a Telecommunication and Power services bundle package in NZ, and we continue to innovate and improve our services such as with our bundle packages that can now include Mobile, Gas, or our Korean IPTV services. We are a continuously growing company which believes that our vision and services can positively change the future of the telecommunication and power market. Megatel has been a trading division of Nova Energy since 2019.</p> | | |
