기업정보

업종	Manufacturing	분야	Manufacturing
대표자명	Brendon Jones	설립연도	2012 (NZ)
회사소개	CAF (Construcciones y Auxiliar de Ferrocarriles) are international market leaders in the design, manufacture, maintenance and supply of equipment and components for railway systems. In Auckland, we have delivered and are now maintaining the Auckland electric trains (referred to as the Electric Multiple Units (EMU)) on the Auckland passenger network. As CAF New Zealand we are entrusted with the contract to maintain the EMU units on behalf of Auckland Transport (AT), which means that we require high calibre candidates for our Maintenance team who possess knowledge and experience to ensure Auckland's trains are running safely and smoothly.
